First things were first as we walked through the door,
Finding new faces, we'd never seen before.

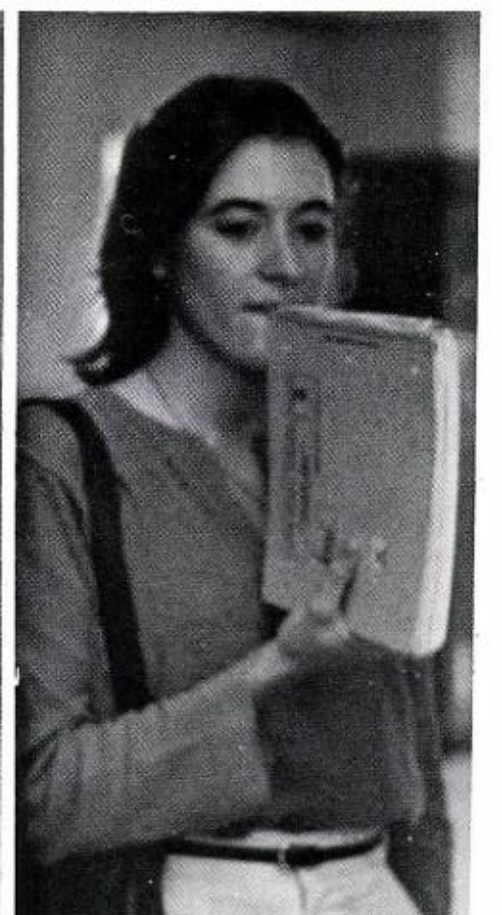

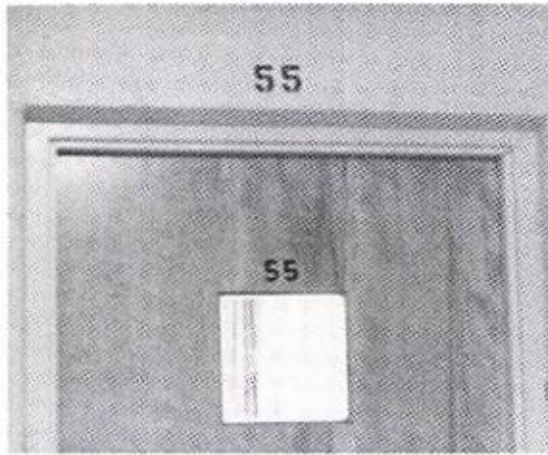

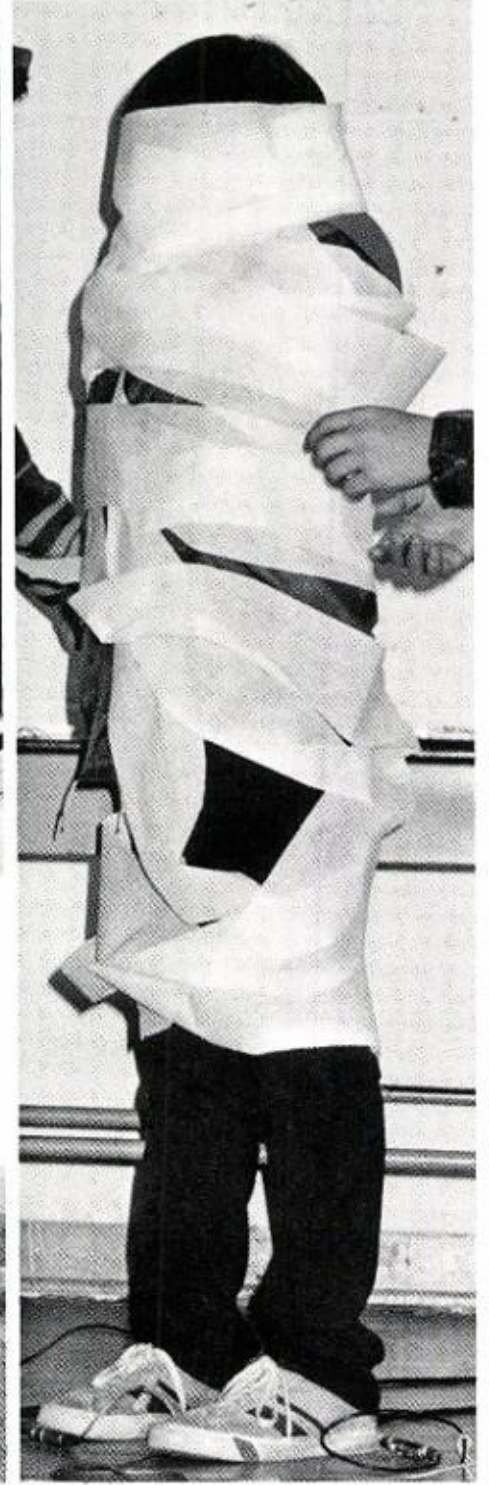

We will not forget the days in the past,
For we know that our memories will last and last.

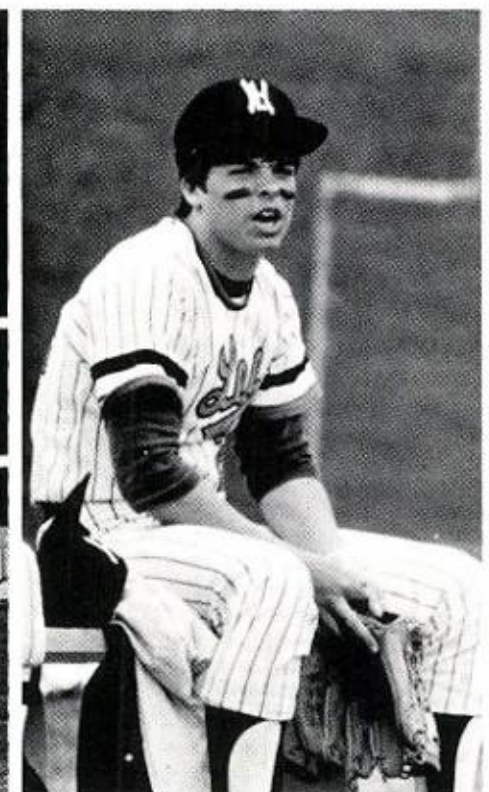

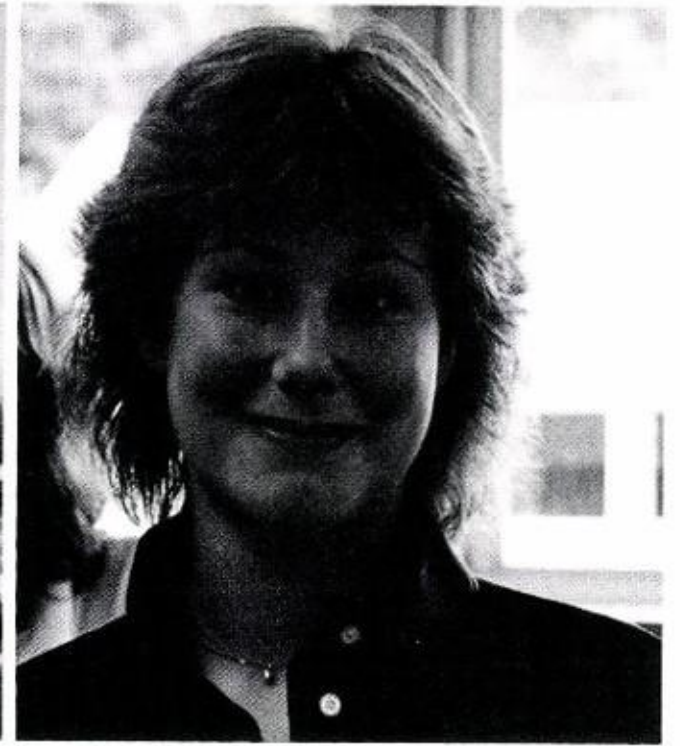

From the bus to the hall from the hall to class,
We soon realized that these days would pass.

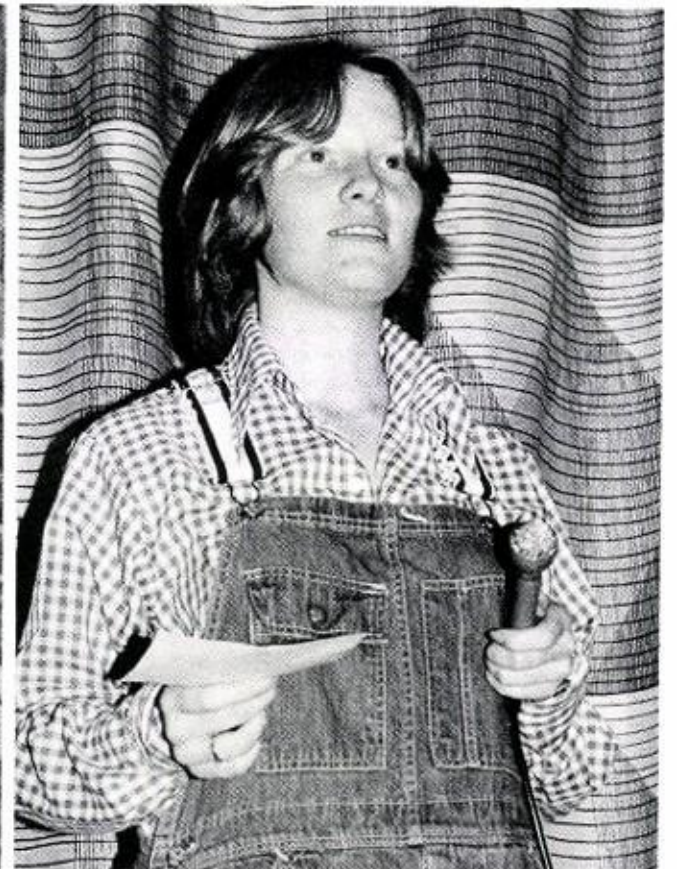

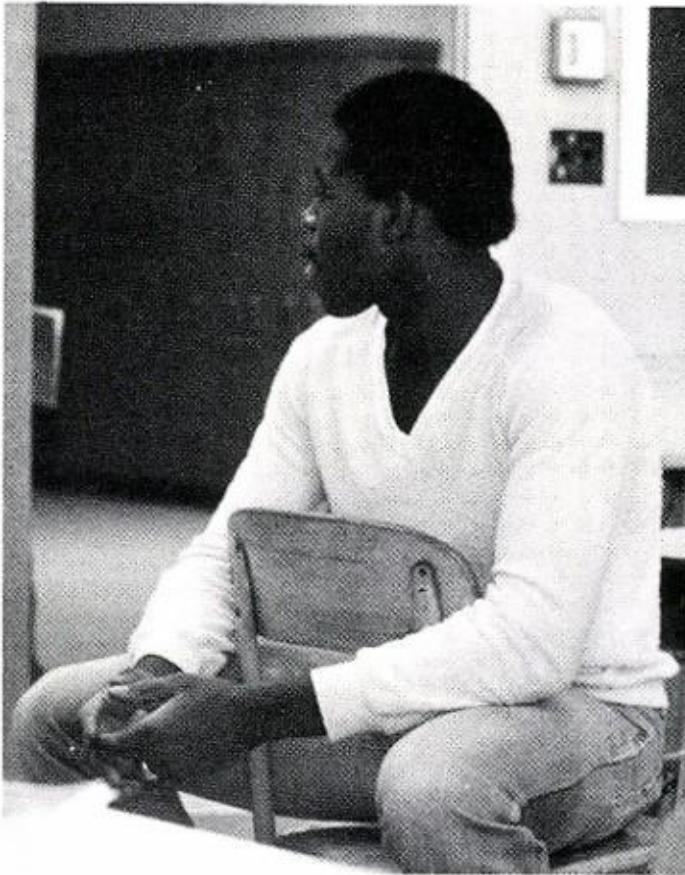

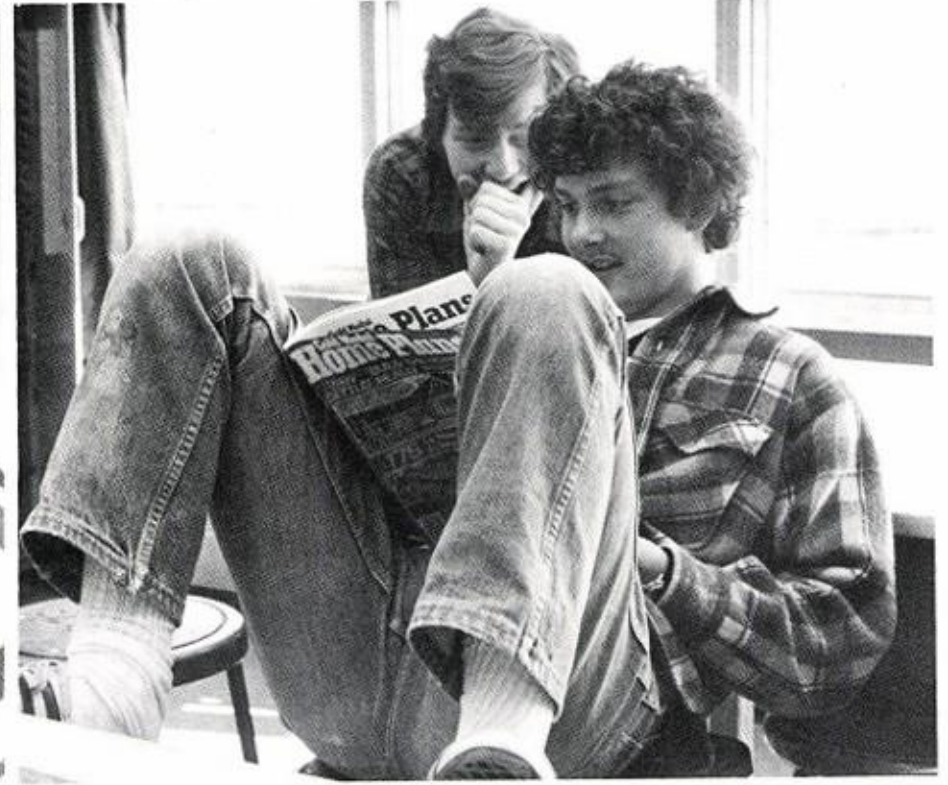

Our times we had, some good, some bad,
Games, Clubs, and Derention were just a few that we had.

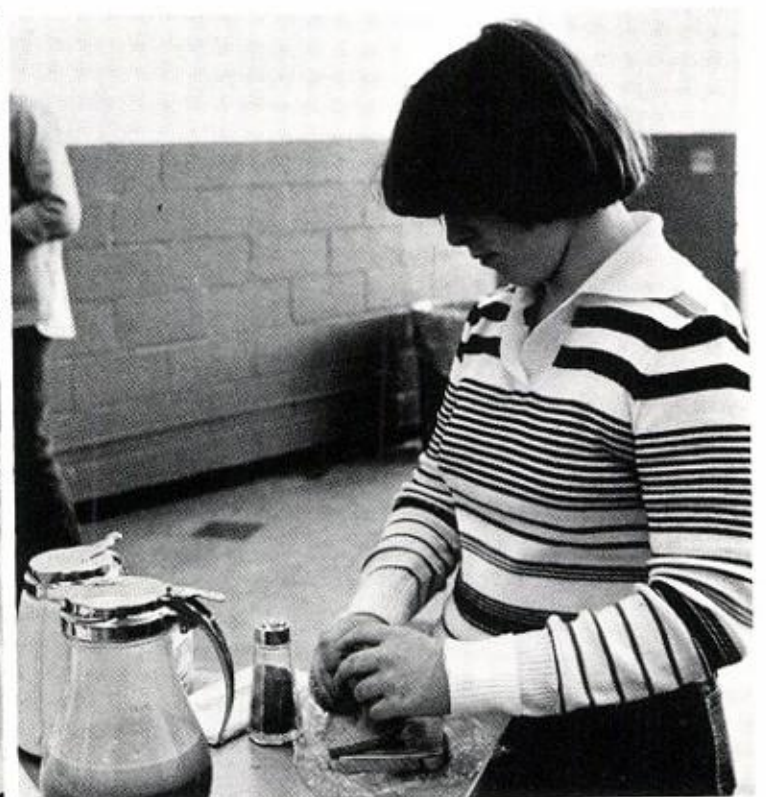

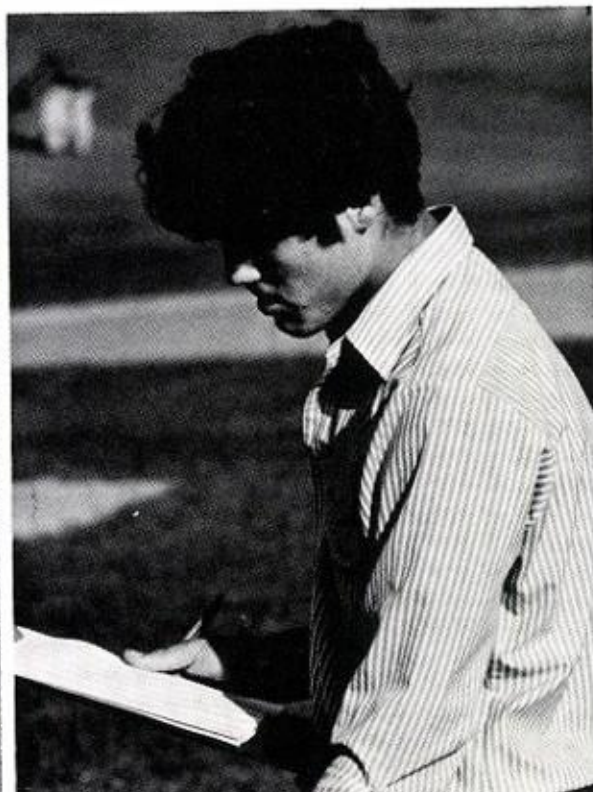

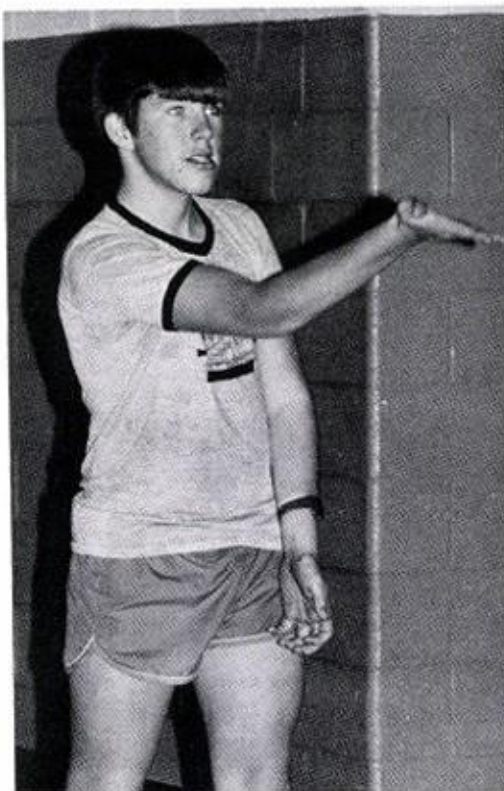

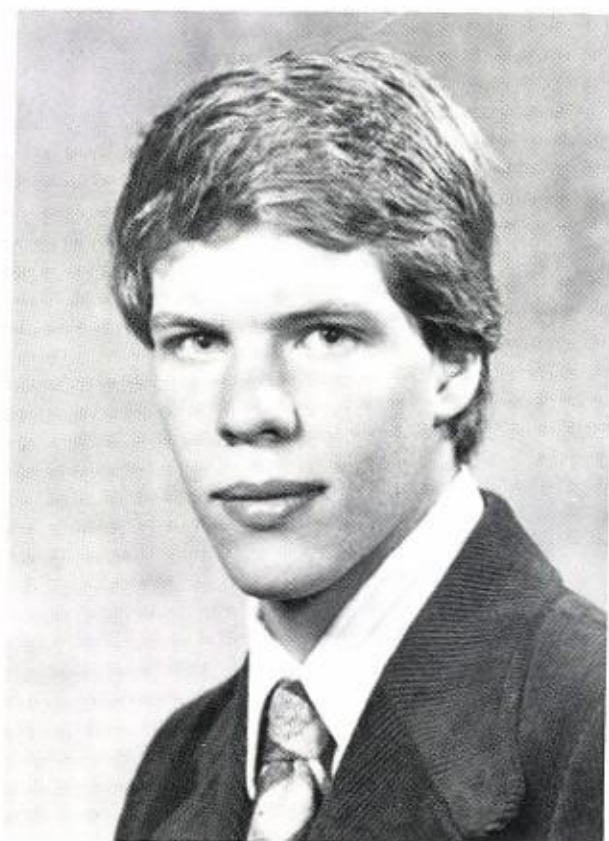

Years from now we'll all look back,
And see that Lee High wasn't too much to "hack."

As we flip through these pages and ask ourselves why,
We'll know that it's because of **DAYS GONE-BY.**

SPECIAL THANKS

We, of the yearbook staff, would like to extend our deep gratitude and appreciation to Miss Mills and Mr. Lohbauer for their relentless dedication to make this the best yearbook possible.

Through their help, expertise, and many long hours, we have created something we are very proud of. At times they were needed catalysts of creativity and inspiration. It's been a pleasure to work with these two professional and great people. So from all of us **-THANKS!**

Don't include Guern.

Pretend you're working . . .

Another reason not to include Guern.

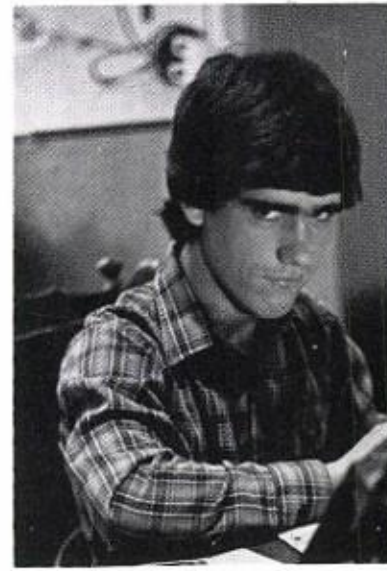

Reason three.

Hire the right advisor.

Get a "competent" typist.

Get a little help from God.

Keep the fingerprints **off** the pictures.

. . . but when no one's looking.

Show up for at least two meetings.

Keep Roann away from the layouts.

Let the children play.

Make Guern leave the bunny home.
